CONGRATULATIONS JIM TIMKE

The Santaluz Club would like to congratulate Jim Timke as he celebrates 10 years as Golf Course Superintendent.

Ten years ago, Jim literally brought our golf course "out of the ground". He helped oversee golf course construction while putting the equipment and crew together to nurse the greens and fairways to maturity. Over the years, Jim has developed an outstanding maintenance crew and instituted the very best agronomic practices for our course in the county. Jim is a talented professional but he is also a great person.

Thank you, Jim, for helping to make Santaluz one of the premiere Golf Clubs in not only San Diego but in Southern California.
